### Carleton in Bloom

At the initial meeting on Monday 07 October, a representative from Yorkshire In Bloom explained the different categories, the costs and the involvement required to be part of RHS Britain in Bloom. The meeting agreed to start with the category: **Grow Your Community**. This covers three criteria: 40% horticulture, 30% environment and 30% community. **Carleton can already tick many boxes** because it has such an active community. Entering will provide further opportunities for all the village to work together to achieve much more and to be recognised and rewarded for our achievements. The next meeting, with an RHS mentor, will be on **Monday 04 November in the Village Hall at 7.30 pm**. It is hoped that representatives from all the different community organisations and village businesses will attend. Everyone is welcome. The box has been fitted out with shelves and a large plastic box and will be overseen by the PC and, with sensible use, could prove a useful asset to the village.
